Shine
These clouds that've come my way
So faithful to betray
The worries how today
Come down on me
(chorus)
Lord i need Your peace to shine
Through the darkness of my life
And a grace that cannot hide
Lord i need Your peace to shine
Wait, i'll wait for You to break
These fears my heart creates
And hold fast to the way
Your love and hope remain
Lord thank You, naturally
In the darkest of my shadows
You are here
(chorus)
Ohh I need Your
I need Your peace to shine
(chorus)
I'm crying out
Need Your peace to shine on me
I'm crying out
Need Your peace to shine on me
