Lord God, You are my only answer
Holy Father, You are my only prayer
I need Your love to guide me through my troubles
I need Your light to guide me through despair
You are standing there, in Your righteous throne
Help me to see the truth
Help me, I'm all alone
And there's a picture frame on the wall
It's a shame there's no picture to put in it
And you're outside looking in
You think you're fine but your heart is full of sin
Jesus Christ, You are the love of my life
You judge in wisdom, faith, love and truth
Help me, guide me, my life is in Your hands
Forgo my anger, frustration and fear
You are reaching out
Your hand to me
Help me to grasp it tight
Help me with all Your might
And there's a picture frame on the wall
It's a shame there's no picture to put in it
And you're outside looking in
You think you're fine but your heart is full of sin
Lord God, You are my only answer
