"Reason"

The world is turning in front of me and sometimes it's
hard for me to let go

My flesh begins to rise and then I find out there's
things I don't know

I'm standing here but no one cares, I'm crying out but
no one is there

And I am me but who am I and will I ever find the
reason (for life)

CHORUS

But I see you there, Your arms around me, Your arms
around me

And I have no fear, You're all around me, You're all
around me

You're all around

On this earth people live and die, wondering why (I
wonder why)

They go through life feeling lost, never knowing who
paid the cost

Lord give me the strength to find the faith in this world
Help them to see the light in me, even though I'm so
afraid (of it all)

CHORUS

And I am so afraid, then I remember the price You paid

CHORUS (w/ Phil singing 1st verse)

CHORUS

The world is turning in front of me and sometimes it's
hard for me to let go
