I'm feeling so inspired about the love that pours over  
me  
And I, I can't describe it, as you overwhelm my soul  
And right now I come before you  
To praise the name that gives me life  
And every time I run to you, you're there for me  
And every time I have a wound inside you heal, you  
heal  
And now, in this silence, I feel my heart draw near to  
you  
And right now I come before you  
To praise the name that gives me life  
[4x]  
And every time I run to You, You're there for me  
And every time I have a wound inside you heal, you  
heal  
[till fade]
