I grew up with black kids, I call 'em my friends,  
vietnamese and the mexicans, your parents  
fuckin' hate me you know I hate them too.  
I roll with teh freaks and the misfits, every colours in  
my crew.

I'm down with S.P.D. [x2]  
So Don't You Fuck With ME!  
Don't Fuck with me man!

I never knew my father, barely knew his name,  
he left my mother alone, I took the blame.  
Black white yellow and brown kids, mowhawks of  
green.

If you're claiming S.P.D., then your on my team!

I'm down with S.P.D. [x2]  
So Don't You Fuck With ME!  
Don't Fuck with me man!
