I don't know if you're near or far away  
But I know that I'm thinking of you today  
I don't know if I even know your name  
But I know that I'm praying for you just the same  
Someday we'll fall in love  
You'll be mine and I will be yours  
Our hearts will be one  
And our love will ever endure  
CHORUS  
Then I'll need you, and I'll want you  
And I'll find you someday  
Then I'll love you, then I'll hold you  
And I'll be with you always  
Our love will be so strong and pure  
You will make me feel like I have never felt before  
You will be perfect only for me  
You will make these eyes begin to see  
Someday we'll fall in love  
You'll be mine and I will be yours  
Our hearts will be one  
And our love will ever endure  
CHORUS  
Your faith for the Lord will be strong  
Even though I know the wait is long  
And though I'm young I still believe  
That you're out there praying for me  
CHORUS  
CHORUS
