"Theory Of Flight"

Even though i'm firmly planted on the ground/ i still run
And even though i face these mountains i still soar/ to
the
Sun/ i need you here/ to show me how to feel/ cause i'm
Tired of living for myself *CHORUS* When this theory
of flight
This question of life that goes on/ and i struggle and
try to
Be the light of your love i fall into the sea of waves
crashing
Over me/ and you wash me clean from the sin i have
been seen
So many reasons why/ i would lose sight but feel fine
yea but feel fine/
CHORUS i lift my hands to the
Sky i lift my hands up to the sky/ even though i am
firmly
Planted on the ground / i still run/ and even though i
face
These mountain i still soar/ to the sun and i'm crying/
and i'm
Praying / and i'm holding onto you/ 'cause this life that
you
Gave me/ i will give it back to you *CHORUS* i raise my
hands into the sky
