Oh Lovely Divine
I cannot describe You, I will not deny You
Three Beauties entwined
I will not disguise You, I cannot divide You
CHORUS
And Trinity, You gave to me
All that love could ever be
And I intend to show
That who You are brings life to me
My soul You saved in unity
That's all I need to know
It's all I need to know
Oh Holy Divine
I sing of Your wonders and what I've discovered
The mystery I find
There's none that compares to, nor will I dare to
REPEAT CHORUS
It's all I need to know
Now faith, faith and trust, is how I can hope for
What I do not see
So let, let reason kneel, kneel in surrender
In surrender, in surrender (to my Lord)
And Trinity, you gave to me
REPEAT CHORUS
Three Beauties entwined
I will not disguise You, I cannot divide You
