"Unite"

Visit "[Unite](#)" on MotoLyrics.com

I feel the tension in our lives
We're waiting for the Son to rise
I feel the closing of this time
God is calling forth His bride
And she will unite in our lives
As we fall in love with Christ
Yes, we will unite in this time
If we're bold enough to say
CHORUS
Now we stand together
Singing praises of surrender
Lord, heal our hearts and make us one
We are the ones who will proclaim
The power of God upon this age
And we will unite in our lives
As we fall in love with Christ
Yes, we will unite in this time
If we're bold enough to say
REPEAT CHORUS
Heal our hearts and make us one
Make us one
Make us one
