Give me one last kiss
Before I walk out of this
Give me some money
'Cos I'm right in a hurry
To get a way out of this
But I'm telling you this
That I don't aim to miss
To get a way out of this...
Give it all you got now
Give it all you got now - Yeah give a little
Give it all you got now
Give it all you got now - Yeah give a little
Let me tell you this
Before I walk out of this
Some say it's sunny but
I don't think that's funny
And I'm telling you this
'Cos I don't aim to miss
To get a way out of this...
Give it all you got now
Give it all you got now - Yeah give a little
Give it all you got now
Give it all you got now - Yeah give a little
Bid me one last wish
Before I walk out of this
Give me the hammer to shatter the dream
To get a way out of this...
