I've seen better days of when You
Were my everything
You've heard better ways of
Someone express their faith
Yet here I am singing this song
Crying out loud that I can't go on
Here without You, here without You
I can see Your face
Sweet Jesus, restore again Your grace
I know I walked away
Oh, but here I am singing this song
Crying out loud that I can't go on
Here without you, here without You
I can see Your face
Sweet Jesus, restore again Your grace
I know I walked away
Oh, but here I am singing this song
Crying out loud that I can't go on
Here without You, here without you
Taking my hand and You're leading me though
There's no going back now that I am new
The grace that You had proved to be true
Accepting my soul with all that You knew
I'm lost without You
Can't live without You
I'm lost without You, oh my Lord
I'm lost without You
So here I am singing this song
Crying out loud that I can't go on
The grace that You had, it proved to be true
Accepting my soul with all that
You knew I'm lost without You
Can't live without You
I need Your love to rescue me
I need Your peace to set me free
Lost without You
