In my life I can see so many thing tommorrow could bring
So many dreams tommorrow could dream
In my heart I don't know where this path will lead me
But I know I'm letting go 'cuz

I'm tired, I'm tired of running alone
I'm tired, I'm tired of running alone

I give You everything, my heart, my hope
My dreams I laid them all on the floor
And when I layed them down, You gave me
Your crown of love that I've been waiting for

I have been waiting for a peice of love
That walks with me to lead me to what's unseen
I have been longing for truth to lead me
To You, my love 'cuz

I'm tired, I'm tired of running alone
But I know, I know I'm never alone, never alone

I give You everything, my heart, my hope
My dreams I laid them all on the floor
And when I layed them down, You gave me
Your crown of love that I've been waiting for

I give You everything, my heart, my hope
My dreams I laid them all on the floor
And when I layed them down, You gave me
Your crown of love that I've been waiting for

I'm tired, I'm tired of running alone
But I know, I know I'm never alone, no

I give You everything, my heart, my hope
My dreams I laid them all on the floor
And when I layed them down, You gave me
Your crown of love that I've been waiting for

I give You everything, my heart, my hope
My dreams I laid them all on the floor
And when I layed them down, You gave me

Your crown of love that I've been waiting for

I've been waiting for You
I've been longing for love
You're everything to me
