Fly

I believe that there's more to life than what I see
And I believe that I can still fly with my broken wings
I believe that this picturesque beauty will fade away
With His help I will gather my faith so one day I will fly

Chorus

Well this I feel and this I know That there's a God who
made

Us all And on His throne He reigns on high And waits
for us

Until we fly, fly away I've been searching for a love
divine to

Fill this open space I've been yearning for a peace of
mind I

Can only find through faith My head's been spinning
round

To find some kind of ground But through this Savior I'm

Found Chorus Fly Fly Chorus Well this I feel and this I
Know That there's a God who made us all And on His
throne

He reigns on high and lifts us up so we may fly away.
