Jessy - Look At Me Now

I've been caged by you for such a long long time  
You had your own particular way to fill my mind  
With low esteem, regarding myself  
So I kept me hidden within my shell  
And it took so long for me to see  
How demolishing you were to me

-

Chorus:

Look at me now I'm stronger than before  
Cause I found the strenght within myself to close the  
door  
And I closed the door for you to ever come inside again  
I've tried so hard to keep me sheltered from your kind  
of men

-

I've been blind and foolish but I was just a girl  
You seduced me with your lies and promised me the  
world  
Now I've had it with you and your twisted games  
And no longer will you make me feel so ashamed  
I have found the power to open the cage  
I left you behind me I turned the page

-

Chorus:

Look at me now I'm stronger than before  
'cause I found the strenght within myself to close the  
door  
and I closed the door for you to ever come inside again  
I've tried so hard to keep me sheltered from your kind  
of men

-

Look at me now...

-

I've been caged by you for such a long long time  
You had your own particular way to fill my mind  
With low esteem, regarding myself  
So I kept me hidden within my shell  
And it took so long for me to see  
How demolishing you were to me

-

Look at me now, look at me now...

-

Some time ago I walked away  
You thought I'd never be the same  
I recovered on my own  
Without you now I'll carry on

-

Chorus 2x:

Look at me now I'm stronger than before  
'cause I found the strength within myself to close the  
door  
and I closed the door for you to ever come inside again  
I've tried so hard to keep me sheltered from your kind  
of men

-

Look at me now I'm stronger than before  
'cause I found the strength within myself to close the  
door  
and I closed the door for you to ever come inside again  
I've tried so hard to keep me sheltered from your kind  
of men

-

Look at me now...
