Disco dancing with the lights down low  
Beats are pumping on the stereo  
Neighbours banging on the bathroom wall  
Your sayin' crank the bass  
I gotta get some more

Waters runnin' in the wrong direction  
Got a feelin' it's a mixed up sign  
I can see it in my own reflection  
Something funny's goin' on inside my mind  
Don't know what it's pushin' me higher  
Its the static from the floor below  
Then it's drops and catches like a fire  
Its a sound I, it's a sound I know

It's the sound of the underground  
The beat of the drum goes round and around  
In to the overflow  
Where the girls get down to the sound of the radio  
Out to the electric night  
Where the bass line jumps in the backstreet lights  
The beat goes around and round  
Its the sound of the under  
Sound of the underground

Chain reaction running through my veins  
Pumps the bass line up into my brains  
Screws my mind until I lose control  
And when the building rocks I know it's got my soul

Waters runnin' in the wrong direction  
Got a feelin' it's a mixed up sign  
I can see it in my own reflection  
Something funnies goin' on inside my mind  
Don't know what it's pushin' me higher  
Its the static from the floor below  
Then it's drops and catches like a fire  
Its a sound I, it's a sound I know

It's the sound of the underground  
The beat of the drum goes round and around

In to the overflow  
Where the girls get down to the sound of the radio  
Out to the electric night  
Where the bass line jumps in the backstreet lights  
The beat goes around and round  
Its the sound of the under  
Sound of the underground

I don't know what it's pushin' me higher  
It's the static from the floor below  
And then it drops and catches like fire  
Its a sound I, it's a sound I  
Its a sound I, it's a sound I Know

It's the sound of the underground  
The beat of the drum goes round and around
