i've always needed time on my own.
i never thought i'd , need you there when i cry.
and the days feel like you swam alone.
and the bed where you lied, has made up on your side.

when you walk away, i count the steps that you take.
do you see how much i need you right now?

(chorus)
when you're gone, the pieces of my heart are missing
you.
when you're gone, the face i came to know is missing
too.
when you're gone all the words i need to hear, will
always get me through the day.
and make it okay.
i miss you.

i've never felt this way before.
everything that i do, reminds me of you.
and the clothes you left that lie on the floor.
and they smell just like you, all of the things that you
do.

when you walk away, i count the steps that you take.
do you see how much i need you right now?

(chorus)
when you're gone the pieces of my heart are missing
you.
when you're gone, the face i came to know is missing
too.
when you're gone the words i need to hear, to always
get me through the day.
and make it okay.
i miss you.

(bridge)
we were made for eachother, out here forever.
i know we were.
yea-a-a.

and all i ever wanted was for you to know.
everything i do i give my heart and soul.
i can hardly breath, i need you sitting here with me!
yea-a-a!

repeat chorus once.
