I don't wanna say i'm sorry  
Cuz I know there's nothing wrong  
Don't be afraid there's no need to worry  
Cuz my feelings for you are still strong

Hold me in your arms  
And never let me go  
Hold me in your arms  
Cause I need you so

I can see it in your eyes  
There is something  
Something you wanna tell me  
I see it in your eyes  
There is something  
That you hide from me

Is there a reason why  
There is something  
Something you wanna tell me  
I see it in your eyes, there is something  
That you hide from me

I don't wanna say I'm sorry  
Cuz I know there's nothing wrong  
Don't be afraid  
There's no need to worry  
Cuz my feelings for you are still strong

Hold me in your arms

Hold me in your arms  
And never let me go  
Hold me in your arms  
Cuz I need you so

I can see it in your eyes  
There is something  
Something you wanna tell me  
I see it in your eyes  
There is something

That you hide from me  
Is there a reason why  
There is something  
Something you wanna tell me  
I see it in your eyes  
There is something  
That you hide from me
