I have a picture  
Pinned to my wall  
An image of you and of me and we're laughing  
With love and it all  
But look at our life now, we're tattered and torn  
We fuss and we fight and delight in the tears  
That we cry until dawn

(chorus)  
Hold me now  
Warm my heart  
Stay with me  
Let lovin' start, let lovin' start

You say I'm a dreamer, we're two of a kind  
Both of searching for some perfect world we know we'll  
never find  
So perhaps I should leave here, yeah, go far away  
But you know that there's nowhere that I'd rather be  
That with you here today

(REPEAT CHORUS x2)

You ask if I love you, well, what can I say?  
You know that I do and that this is just one of those  
games that we play  
So I'll sing you a new song, please don't cry any more  
I'll even ask your forgiveness though I don't know just  
what I'm asking it for

(\*repeat 2)  
\*Oh, oh, hold me now (hold me in your lovin' arms)  
Oh warm my heart (warm my cold and tired heart)  
Stay with me (Ooh stay with me)  
Let lovin' start, let lovin' start

(REPEAT CHORUS2 x4)
