I got this feeling lately  
Something's on your mind  
Wonder what they've said today  
Your friends don't like me baby  
You know I love you  
What's going on?  
Let's move on, don't think about it

Know that they are wrong  
You gotta hold on  
If you fail to be strong  
No matter what they say

They gonna have it just their way  
Cause' my heart aint lying  
No my heart aint lying  
Cause' my heart aint lying

The stories they are telling  
Is there something baby?  
Can't you give a sign?  
You know every words are lie  
Let's move on  
You can believe me  
My love is true

Those people only like to see you blue  
You gotta hold on  
They gonna have it just their way  
No matter what they say  
If you fail to be strong

Cause' my heart aint lying Cause' my heart aint lying  
No my heart aint lying
