In the world today  
You cannot play  
You know everybody's watchin'  
Yea, watchin' today

The world  
Is full of sea creatures  
Heaven  
is full of sea godssssssssssss

Chorus:

This is the sea of gods  
This is the sea of gods  
Everywhere we try to go  
We will be with them

This is the sea of gods  
This is the sea of gods  
Everywhere we try to go  
We will be with them

Sent off on the ship of hell  
Walking on the plank of hell  
Is not what I'm told to do  
Today

I want to live forever  
With the sea of gods  
Sent on the ship going hellbound  
Where Am I going nowwwwwwwww

This is the sea of gods  
This is the sea of gods  
Everywhere we try to go  
We will be with them

This is the sea of gods  
This is the sea of gods  
Everywhere we try to go  
We will be with them

This is the sea of gods  
This is the sea of gods  
Everywhere we try to go  
We will be with them  
Foreverrrrrrrrrrrrr
