Time goes by
Still I care for you
Love can be tough
Cannot deny it
I have learned
And all thanks to you
You give and you take
There's no way around it
I may not know

The things I should say

Know that my heart is in the right place
Do you still feel the way I do
Do you still feel the way I do
I have to know
Can you forgive me
I know that we can make it right

If you still feel the way I do
Do you still feel the way I do
Do you still feel the way I do
I have to know
I know that we can make it right
If you still feel the way I do
Can you forgive me
Can't rewind

I learned it the hard way
The times I've hurt you
I was so wrong
I may not know

The things I should do

Know that my heart is in the right place
Do you still feel the way I do
Do you still feel the way I do
I have to know
Can you forgive me
I know that we can make it right

If you still feel the way I do

Do you still feel the way I do

I have to know

Do you still feel the way I do

Can you forgive me

I know that we can make it right

If you still feel the way I do
