I'm all alone in bed
And I can't sleep i'm feelin' blue
I try to close my eyes
But all I'm thinkin' of is you
Baby only you

I cry my eyes out baby
Wondering what I have to do!

I'm lookinh inside my heart
I know for sure this love is true
Day by day , heart to heart
I hope that we will ever be together
Will it be me and you
I dreamed that our love
Will last for ever

Hold me tight in your arms
I know that we have this strenghtesten together
Walk with me hand in hand
I promise to be there forever, forver

I'm all alone in bed
And i can't sleep i'm feelin' blue
I try to close my eyes
But all i'm thinkin' of is you
Baby only you

Day by day heart to heart
I hope that we will ever be together
Will it be me and you
I dreamed that our love will last forever!

Hold me tight in your arms
I know that we have this streghtesten together
Walk with me hand in hand
I promise to be there forever , forever
Forever,forever,forever,forever
