Driving in my car  
Bring back my memories  
Feeling alright  
Pictures of that night  
City lights so bright

Holding you tight  
Now you're so far away  
Light-years away from me

Sometimes I feel  
You are a part of me  
I feel you by my side  
Deep inside  
Oh I can feel  
I feel that in the night  
You will return to me

I remember  
I remember  
How we danced into the light  
Like it was yesterday  
I remember  
How it felt to hold you tight  
I remember  
Like it was yesterday

Like it was yesterday  
Sometimes I feel  
You are a part of me  
I feel you by my side  
Deep inside  
I feel that in the night  
Oh I can feel  
You will return to me

I remember  
I remember  
How we danced into the light  
Like it was yesterday  
I remember

How it felt to hold you tight  
I remember  
Like it was yesterday  
Like it was yesterday
