Baby I just need you here tonight,
I'm all caught up,
It seems I'm stuck on you.

Maybe this is just a phase that I'll get through,
Cause it's true that I do tend to lose my mind,
sometimes,
But I didn't plan on losing you.

Baby don't leave, come home with me,
Darling don't you know? Well, listen to me.

Baby stop pretending,
Drop the act,
And just dance with me.
I am asking you "Please darling, don't say that you
have to go,
Please say you don't tonight".
Cause I need this more than you know.

Baby I just need you by my side,
To have and to hold,
I know it's getting old, but I can't stop dreaming of you.

Maybe this is just a chance too good to miss,
Can I get, I missed the goodbye kiss,
Cause you're driving me insane with all these games
that you play.

Baby don't leave, come home with me,
Darling, don't you know? Well listen to me.

Baby stop pretending,
Drop the act,
And just dance with me.
I am asking, "Will you please, darling, don't say you
have to go,
please say you don't tonight."

Cause I need this, yeah,
I need you more than you know.
