Dear friends,
Sometimes I know the world can get you down,
Just know I'll always be around to talk about it.

And even when the night seem's darkest
And hope is far away
I'll be right beside you... on that day.

No matter where our lives take us
Even, if we end up in different places I promise I'll
Always answer when you call...

And when you
Don't have a shoulder left to cry on,
I'll be the, single thing you can rely on.
I'll promise I'll be there to catch your tears... as they fall.

Dear Friend,
I know sometimes that I have let you down,
Just know I'll always be around and workin' on it.

And even when life seems the hardest and nothing
feel's okay,
I'll be right beside you... on that day.

No matter where our lives take us
Even, if we end up in different places I promise I'll
Always answer when you call...

And when you,
Don't have a shoulder left to cry on,
I'll be the single thing you can rely on.
I'll promise I'll be there to catch your tears... as they fall.

No matter where our lives take us
Even if we end up in different places I promise I'll
Always answer when you call...

And when you,
Don't have a shoulder left to cry on,
I'll be the single thing you can rely on,
I'll promise that I'll be there to catch your tears.
