You can rest easy tonight
Everything is going to be alright,
I promise.
Go to sleep and dream of me tonight;
Everything may not be perfect,
But at least we tried.

So tonight,
Sweet dreams and sleep tight.
I've been trying so hard,
Can't get you out of my mind.
And if this is how it has to be,
Just promise you won't forget me,
And I'll leave you with this lullaby
Tonight.

I know that this hurts you,
It hurts me, too.
I wish there was something I could do

To make it easier for you.
Sometimes it's tough,
Too soon to call it love,
But I wanted to,
yeah, I wanted to.
But it's too late now to say
All the wonderful things that I thought of you.

So tonight,
Sweet dreams and sleep tight.
I've been trying so hard,
Can't get you out of my mind.
And if this is how it has to be,
Just promise you won't forget me,
And I'll leave you with this lullaby
Tonight.
