It's snowing here the house is painted white
People hanging all their colored lights
But all I know
Is in a couple of weeks or so
I'll get to see you

It's so cold outside I see my breath
The trees have lost their leaves there's no more left
But all I know
Is in a couple of weeks or so
I'll get to see you

I'm finished with my christmas list
And the only thing I've written is
I wish I wish
I wanna see my baby girl this year

I've finished wrapping all my gifts
Dear Santa Clause please grant me this one
Wish I wish I wanna see my baby girl
My baby girl this year

December 25 is drawing near
Everyone is finishing their shopping here
But all I know
Is in a couple days or so
I'll get to see you

I'm finished with my christmas list
And the only thing I've written is
I wish I wish
I wanna see my baby girl this year

I've finished wrapping all my gifts
Dear Santa Clause please grant me this one
Wish I wish I wanna see my baby girl
My baby girl this year

Turns out I'm terribly excited
Used to count down all the nights

Until the holiday is finally here

Cause you're the only thing I'm asking for
I want my girl and nothing more
So bring on all the holiday cheer

It would honestly be awesome to
Find presents in my stocking
But baby it's plain to see

You're the only thing I want under my tree

1, 2, 3, 4

I'm finished with my christmas list
And the only thing I've written is
I wish I wish
I wanna see my baby girl this year

I've finished wrapping all my gifts
Dear Santa Clause please grant me this one
Wish I wish I wanna see my baby girl
My baby girl this year
