No one else can touch me  
Like the way you do  
Nothin' seems to hurt me  
When I am close to you

And I hope that we  
Can spend our lives together  
I truly wish  
That this could last forever  
For you and me

And when you cry tears keep on fallin'  
I still feel your love for me is true  
And when you cry tears keep on fallin'  
I can see that you are feelin' blue  
For me and you  
For me and you

No one else can touch me  
Like the way you do  
Nothin' seems to hurt me  
When I am close to you

And I hope that we  
Can spend our lives together  
I truly wish  
That this could last forever  
For you and me

And when you cry tears keep on fallin'  
I still feel your love for me is true  
And when you cry tears keep on fallin'  
I can see that you are feelin' blue  
For me and you  
For me and you
