[Redman]

You motherfuckers gotta get...

Live baby [16X]

[Khari Santiago]

Introduction, Khari makes you wet like 90 degrees

Summer night of passionate raw fuckin

Physical frame slim, you mention my name in

Your verse and you might be leaving the earth flamin

Shit changed when I came in, niggas stopped smilin

Started hatin and wishin my chest would get caved in

Oh why? Probably cuz I'm too much to clutch too fly

Cats dividin findin cuts to hide in

Scared like a bunch of little skirts, it gets worse

Or gettin their delicate feelings hurt

Or run around, chain danglin, grippin their nuts

Big balla nigga til you slip and get stuck

And I, trunk cake the break, break fools that take

schools

Of emcees get sprayed through so bad it'll make news

Reported that you got slaughtered the only description

You got ripped by some tall kid that like an Egyptian

[Redman]2X

Yo, we want y'all to liven it up

Before I do

We want y'all to get fucked up

Before I do

We want y'all to get the money

Before I do

We want y'all to get high, high, high

Before I do

[Onasis]

Yeah live it up now before I do

Wit my new millenium gat, mines is blue

Glock and clip, cock it back, lost your chips

Smart bullet, and marked your name before I pull it

Hip hop the shit, it run through my blood

Fake thug, I aint dirt, you ran through mud

I'm what rap was, and what it be

The lyrical, mystical, live MC
Ay you rap subliminal
Rock hard shit you a mineral
Lab rapper made by chemicals
Me, I'm nice when it comes to material
Like Redman I should have my own cereal
E new sheriff in rap, Reggie hammered it
How the hell you get backstage wit no laminate
Area restricted from those MCs that's not gifted
Amateur night show you missed it

[Redman]2X
We want y'all to liven it up
Before I do
We want y'all to get fucked up
Before we do
We want y'all to get the money
Before I do
We want y'all to get high, high, high
Before we do
