Tell me why we didn't try  
Tell me why you had to go  
Can't you see it makes me cry  
There are so many things I have to know

Cause I still care about you  
And time is long overdue

Now I pray on my knees and I look at the stars  
That you would be here laying down in my arms  
I pray on my knees for you

Now I pray on my knees and I look at the stars  
That you would be here laying down in my arms  
I pray on my knees for you

I know that I can't turn back time  
Just to undo all my mistakes  
I'm not gonna cry for the rest of my days  
I will do whatever it takes

Cause I still care about you  
And time is long overdue

I pray on my knees  
I pray on my knees  
For you  
Now I pray on my knees and I look at the stars  
That you would be here laying down in my arms  
I pray on my knees for you

Now I pray on my knees and I look at the stars  
That you would be here laying down in my arms  
I pray on my knees for you
