Time goes by  
Still I care for you  
Love can be tough  
Cannot deny it  
I have learned  
And all thanks to you  
You give and you take  
There's no way around it  
I may not know

The things I should say

Know that my heart is in the right place  
Do you still feel the way I do  
Do you still feel the way I do  
I have to know  
Can you forgive me  
I know that we can make it right

If you still feel the way I do  
Do you still feel the way I do  
Do you still feel the way I do  
I have to know  
I know that we can make it right  
If you still feel the way I do  
Can you forgive me  
Can't rewind

I learned it the hard way  
The times I've hurt you  
I was so wrong  
I may not know

The things I should do

Know that my heart is in the right place  
Do you still feel the way I do  
Do you still feel the way I do  
I have to know  
Can you forgive me  
I know that we can make it right  
If you still feel the way I do

Do you still feel the way I do  
I have to know  
Do you still feel the way I do  
Can you forgive me  
I know that we can make it right  
If you still feel the way I do
