I heard she broke your heart
And you're too blind to see
How foolish that you are
Instead of her, you could have me

And maybe I'm a fool
But I keep waiting for you
I hope that you will see
What you mean to me

So, tell me baby
How can I change your mind?
To leave that girl behind
Or am I wasting time?

So, tell me baby
How can I change your mind?
To leave that girl behind
Or am I wasting time?
So, tell me baby

I heard she broke your heart
And you're too blind to see
How foolish that you are
Instead of her, you could have me

And maybe I'm a fool

And maybe I'm a fool
But I keep waiting for you
I hope that you will see
What you mean to me

So, tell me baby
How can I change your mind?
To leave that girl behind
Or am I wasting time?

So, tell me baby
How can I change your mind?
To leave that girl behind
Or am I wasting time?

So, tell me baby
