Tonight

Tonight, when someone hurts your feelings deep
inside
Please don't care 'cause I will hold you tight
It's up to you tonight
It's up to you

Tonight, when someone hurts your feelings deep
inside
Please don't care 'cause I will hold you tight
It's up to you tonight
It's up to you

Tonight, when someone hurts your feelings deep
inside
Please don't care 'cause I will hold you tight
It's up to you tonight
It's up to you
