I'm lost in the dark. My oh My
I'm lost in the dark. My oh My

O-o, 000-o-o, o-o, o-o (x4)

When I call in the dark
And I am losing sight
Come tell me a story
In which I can hide
I am lost in my dreams
I'm running through the night
I try to feel sorry
For the times I have lied

I'm lost in the dark. My oh My
I'm lost in the dark. My oh My
Take my hand, Just take my hand
When I'm lost in the dark

Wo-o-ow, wo-o-ow, wo-o-ow-o (x4)
O-o, 000-o-o, o-o, o-o (x2)

When I fall in the dark
And I am losing mind
Then tell me the story
The place I can find
I am lost in my dreams
I'm running through the night
I try to feel sorry
For the times I have lied

O-o, 000-o-o, o-o, o-o (x4)

Days are forgotten
The night has begun
Belongings forever
Are gone in my mind, (gone) In my mind, In my mind

Wo-o-ow, wo-o-ow, wo-o-ow-o (x2)

I'm lost in the dark. My oh My

I'm lost in the dark. My oh My
Take my hand, Just take my hand
When I'm lost in the dark
