I stood in the door way
Looking at your new boy friend
You gave me a heart break
I told myself it's all my fault
I blamed myself
I shattered myself

Now I know the reason I'm bleeding
And know the reason that I'm broken
It's all my fault
I know the reason I'm bleeding
And I know the reason that I'm broken
I fell in love with you...

Was I special in your eyes
Or did you hypnotize me
The feeling you gave
So didn't know that it was a lie
I blamed myself
I shattered myself

Now I know the reason I'm bleeding
And know the reason that I'm broken
It's all my fault
I know the reason I'm bleeding
And I know the reason that I'm broken
I fell in love with you...

Now I know the reason I'm bleeding
And know the reason that I'm broken
It's all my fault
I know the reason I'm bleeding
And I know the reason that I'm broken
I fell in love with you...

Was it a lie then look in your eyes
The way you spoke,
Did I made it up
Or didn't I asked you out
I blamed myself
I shattered myself

Now I know the reason I'm bleeding
And know the reason that I'm broken
It's all my fault
I know the reason I'm bleeding
And I know the reason that I'm broken
I fell in love with you...
