Get your kicks from the water produced by my eyes
You can play this forever, you can kill my heart
I won't be a part of it, it's gruesome and it's harsh
Cut me down and share my views, my bruises and my
harm
Damage done

Get your fists into motion, I prefer them to this

Old school fights give perspective about what is real
and what's not
I won't be a part of it, it's gruesome and it's harsh
Cut me down and share my views, my bruises and my
harm
Damage done
