My little run away  
Always try to hide away  
Seems that you're livin'  
I won't let you go, no, no

I'd never walk away  
Always here for you to stay  
Still do believin'  
You will miss me to

Standin' on the edge but I won't fall

[CHORUS:]  
Can't you see  
I believe  
In you and me

I want our love to grow  
And you know  
I'm takin' your love to go, ohh ohh

Why do you fly away  
This is a hopeless game you play  
You gave me this grievin'  
But I won't let it show

Standin' on the edge but I won't fall

[CHORUS]

I'm taking your love

[CHORUS]
