You said you'd be there for me
In times of trouble when I need you and I'm down
And likewise you need friendship
It's from my side pure love but I see lately things have
been changing
You have goals to achieve
But the roads you take abroad are heartless
That wants you make another way
You throw stones
Can you see that I am human I am breathing
But you don't give a damn

Can you feel my heart is beating
Can you see the pain you're causing
Can you feel my heart is beating
Can you see the pain you're causing

Blood blood blood.... blood is rushing

And now the world is asleep
How will you ever wake her up when she is deep in her
dreams, wishing
And yet so many die
And still we think that it is all about us
It's all about you
You sold your soul to the evil and the lust
and the passion and the money and you
See innocent ones die, people hunger for decades
suffer under civilized armedrobbers, modern
slaveholders

Can you feel my heart is beating
Can you see the pain you're causing
Can you feel my heart is beating
Can you see the pain you're causing

Blood blood blood.... keeps rushing

Evaded, eliminated, erased, interrogated
Our tradition, our love for our fellow countrymen,
our property, our resources - our pride

Can you feel my heart beating
no no no....you don't

Can you feel my heart is beating
Can you feel the pain you're causing
Can you feel my heart is beating
Can you feel the pain you're causing
