You Say
You can't go on this way
things have got to change
when you're gone

And each day
A choice gets made
You think it's yours to make
Yut you're wrong

There's nowhere to run
No place you can go
Nowhere you can hide
Where you won't be found
There's no place on earth
Where you could lay low
Wherever you are
I will track you down

There's no way in hell
I will let you leave
let you just get up
And walk out on me
There's no way you're love
Hell would have to freeze
Over twice before
I will let you go (oh oh oh...)
I will let you go (oh oh oh...)
I will let you gooooooooooooo
There's no way you're love
Hell would have to freeze
Over twice before
I will let you go (oh oh oh...)
Let you... go

You Say
You can't go on this way
Things have got to change
When you're gone
Each day
A choice gets made
You think it's yours to make

You're wrong

There's nowhere to run
No place you can go
Nowhere you can hide
Where you won't be found
There's no place on earth
Where you could lay low
Wherever you are
I will track you down
There's no way in hell
I will let you leave
Let you just get up
And walk out on me
There's no way you're love
Hell would have to freeze
Over twice before
I will let you go (o o o...)
There's no way, I will let you go (oh oh oh...)
Let you go (oh oh oh...)
I will let you go (oh oh oh...)
There's no way you're love
Hell would have to freeze
Over twice before
I will let you go (oh oh oh...)
Let you go
There's no way
I will let you go
