Hello and welcome back to music club,
Before the break we discussed how to write
compression into a snare drum,
now ill show you how to create the basic arrangment &
outline
for what is know in the industry as a gardyrhodem

(instrumental)

when producing drum and bass
don't limit yourself to just one or two drums,
you can always add more to the equation,
why not try adding a bit of....Bongo

(instrumental)

hello and welcome back to music club,
the is a rollout,
and now we go into the break down,
this is the moment in the song where it's important
to let the listner know that things have changed,
by now you should be thinking about how were going to
tear off the song
and build it up into a big crusendo.

(instrumental)

So there you have it
the complete guid on how to write a massive club
banger
so thats goodbye from me,
and goodbye form music club
cya later gang
