This is the story of a streetlife  
Story of a streetlife [3x]

If you not understand my ghetto, you should have  
never come around  
It seems like every single day, there's something  
bringing me down  
Now there's a war in the streets, the guns blaze all the  
time  
If you're a real bad man, then you'll never back down
