(feat. Digga)

I been waiting for this moment
For you to come around
And I been having fantasies
Of how I'm gonna lay your body down
So baby, take your clothes off
Even better, let me help
I love you from head to toe
All night long
Let me take you there
Yeah-eah
Uh, are you cryin' out
No one ain't finding out
It's just you and me
Let me take you there
Yeah-eah
Nobody else around
I'll be loving your body down
The way it's s'pposed to be
Let me make ya

I got everything you need, babe
Cos I'm all about my game
And with a little more attention
I'll have you screaming my name
So baby, take it easy
We ain't even gotta rush
I wanna send shivers up and down your spine
Every time we touch

I been waiting for this moment
For you to come around
And I been having fantasies
Of how I'm gonna lay your body down
So baby, take your clothes off
Even better let me help
I love you from head to toe
All night long
Let me take you there
Yeah-eah

Uh, are you cryin' out
No one ain't finding out
It's just you and me
Let me take you there
Yeah-eah
Nobody else around
I'll be loving your body down
The way it's s'pposed to be
Let me make ya

I love you from head to toe
All night long
Let me take you there
