[Chorus:]

She's so hot and cold,
Why won't she let me know?
She's so hot and cold,
Why won't she let me know?

[Verse 1:]

I got, I got, I got a feeling in my gut and it's telling me
that I should run away.
I don't, I don't, I don't, I've never listened up,
Because I always have to learn the hard way.

[Pre 1:]

Oh no, I can't remember my name and now I'm running
in place,
Just to find my way out with some grace.
I think that I might be losing my mind and I've lost my
appetite,
Now I'm trippin' on my shoe lace.

[Chorus:]

She's so hot and cold,
Why won't she let me know?
She's so hot and cold,
Why won't she let me know?

[Verse 2:]

It's obvious that my routines are mathematic,
I'm a creature of habit and she's unpredictable.
I'm working overtime to reassure myself that it's
nothing I can help.

[Pre 2:]

You know that there are stars in her eyes,
And she'll run all the red lights if it gets her there
faster.
She's not into taking her time,
Cause she's a city girl in a city state of mind.

[Chorus Repeat]

[Bridge:]

I know that you want to play it safe it's alright.
It's alright, it's alright girl.
I know that you're scared to make mistakes it's alright.
It's alright, it's alright girl.

[Chorus:]
I'm so hot and cold,
Why can't I tell her no?

[Out Chorus:]
She's so, I'm so, we're so hot and cold.
