First you made me  
Now you hate me  
My existence is irony  
Time to face it  
And embrace it  
'Cause this war is our destiny

This is what keeps me on my path  
This is the essence of my wrath

[Chorus:]  
This is the anthem of the lost  
This soul won't rest  
Someday you'll see there is no cause  
Without effect  
You crushed my heart between your claws  
I'll kill you back  
This is my final answer  
This is the anthem of the lost

Yes this heathen  
Is still breathing  
My belligerence keeps me alive  
All this hatred  
You created  
Is my torch in this absence of light

This is what keeps me on my path  
This is the essence of my wrath

[Chorus]

See me jump into the chasm  
Still I'm smiling  
I will not lose confidence  
I feel it  
Deep down in this hole is where you're hiding  
There's no escape from the monster  
You made me become

[Chorus]
