I'm not feeling myself lately  
Maybe you don't motivate me  
Then again, what motivates me Lately

I'm not feeling myself lately  
My dreams are far too real  
It might take some time for this soul to heal

The lights went out but I can  
Still see your reflection.

This confusion swallows like the evening sun  
(Am I the one)  
Am I the one  
Where has the dream gone  
Maybe time from you could cure this king  
When you've got so much  
But it's just not fitting

The lights went out but I can  
Still see your reflection  
Give me time to be the thorn

Maybe I've gone crazy  
I don't know

As freedom escapes me  
It follows you  
And we struggle  
On and on it's true  
But nothing's changed  
Not yet

Are you ready for blood?!  
Are you ready for blood?!  
Yeah!

The lights went out but I can  
Still see your reflection

Maybe I've gone crazy  
I don't know

As freedom escapes me  
It follows you  
And we struggle  
On and on it's true  
But nothing's changed  
Nothing's changed yet
