What a day  
Trapped inside these minds  
Forgot to tell you that  
I found someplace to go  
All alone, yet you're not alone  
So spin me 'round and 'round  
This maze we call our home  
Oh yeah!

Do my best to outsmart myself (Outsmart myself again)  
Driving home against the rising sun (And I can't sleep  
at all)  
Now I'm hung over in limbo  
'Cause I spent the night temptation And I can't sleep at  
all

So run away, and say you're doin' fine  
Just please explain to me  
That emptiness inside  
And while you're gone I know you'll grow in time  
'Cause seeing you like me is one thing that you can't  
hide  
Oh no!

Do my best to outsmart myself (Outsmart myself again)  
Driving home against the rising sun (And I can't sleep  
at all)  
Now I'm hung over in limbo  
'Cause I spent the night temptation And I can't sleep at  
all
