Thursday, gone gray
Had enough
Tryin' just to get a little
Piece of candy
But you can't
When you're caught up in the middle

If it never takes you where you wanna go
If it never tells you what you wanna know
Can never make you fall apart
Or run full

Connect me, operator, please
So I can hear your voice
Movin' on, movin' on, movin' on
To the light

Connect me, operator, please
So I can hear your voice
Movin' on, movin' on, movin' on
To the light
Will you answer this time?

Sunlight's fading
Hurry up, beat the clock and grab your fill
Keep from sleeping
Easy to do
When you're caught up in the middle

If it never takes you where you wanna go
If it never tells you what you wanna know
Can never make you fall apart
Or run full

Connect me, operator, please
So I can hear your voice
Movin' on, movin' on, movin' on
To the light

Connect me, operator, please
So I can hear your voice
Movin' on, movin' on, movin' on

To the light
Will you answer this time?

Connect me, operator, please
So I can hear your voice
Movin' on, movin' on, movin' on
To the light

Connect me, operator, please
So I can hear your voice
Movin' on, movin' on, movin' on
To the light
Will you answer this time?
Will you answer this time?
Will you answer this time?
