Words you're saying now
And what you're thinking now
Take your breath away
That's why I gotta say
Why does everything that I am
Why does everything that I am
Why does everything
That I am
Tear you apart

Heard it all before
???? on the floor
When you want to be the one
Who turns me into stone

Why does everything that I am
Why does everything that I am
Why does everything that I am
Tear you apart

Does it set you off?
And now I'm here waitin

set you off

And owim here prayin

Set you off
And now I'm here waiting

Do I set you off
I set you

And I set you
And I'm here waiting

Switch!

Why does everything that I am
Why does everything that I am
Why does everything
Everything

Everything
Tear you apart
Tear you
