One two three four!

What the hell are we fighting for?
Another hour, you'll be gone
When you should be next to me

Deep inside I see you're tired
I'm so lost and uninspired
Yeah, I know
It's killing me

You'll do it again
Don't mock my words
Once in a lifetime
Yeah
You'll do it again
Don't mock my words
Once in a life time

So go ahead and be alone
Follow what you know is wrong
I guess it's time to say goodbye
But one last thing before you go
I thought I'd sing to you this song
'Cause maybe this time will be forever
And ever

You'll do it again
Don't mock my words
Once in a lifetime
Yeah
You'll do it again
Don't mock my words

Once in a life time

What the hell is going on?
What the hell is going on?
What the hell is going on?
What the hell is going on?

What the hell is going on?

What the hell is going on?
What the hell is going?
What the hell is going...!

You're running
You're hiding again
In circles
Where do you go
You're running
You're hiding again
In circles
Where do you go

You'll do it again
Don't mock my words
Once in a lifetime
Yeah
You'll do it again
Don't mock my words
Once in a life time
