Try to understand
Their longing whispers
Talking with the other side
Someone out there
Tries so hard to reach you
The secret world is opened wide

(pre-chorus)
Suddenly there is no sound
The angels stop their song
Watching your spirit fly away
This is your final day

(chorus)
Tomorrow won't be
The world you're use to see
The world of the tribe
Calling you
This will be a new start
Hear the voice from your heart
Call of the tribe
Calling you
The ferryman is waiting close behind you
He is really eager to leave
Take a step outside your weak body
Now your life will begin for real

(pre-chorus)
Suddenly there is no sound
The angels stop their song
Watching your spirit fly away
This is your final day

(chorus)
Tomorrow won't be
The world you're use to see
The world of the tribe
Calling you
This will be a new start
Hear the voice from your heart
Call of the tribe
Calling you
